O R D E R

In the letter 3rd read above, the Chief Engineer (Projects) & District Water Resources Officer, Water Resources Department, Kadapa, has recommended the proposal to Government to accord permission for allocation of 2.00 TMC of water for industrial use from the Gandikota Reservoir to the Integrated Steel Plant at Sunnampurallapalli and Peddandluru Villages of Jammalamadugu Mandal of YSR District, Kadapa, for the reasons stated therein.

2. After careful examination of the matter, Government hereby accord permission for allocation of 2.00 TMC of water for industrial use from the Gandikota Reservoir to the Integrated Steel Plant at Sunnampurallapalli and Peddandluru Villages of Jammalamadugu Mandal, YSR Kadapa District subject to payment of water royalty charges @ Rs. 5.50/- per 1000 gallons and at the rates fixed by the Government from time to time, on the following terms and conditions:

1. The Water can be spared based on the availability of water in the Reservoirl.
2. The water drawn should be utilized for the purpose for which permission is granted.
3. The firm has to pay water charges for the estimated quantity in advance as fixed by the Department.
4. The consumptive utilization calculated per day fixed by the Department should not exceed under any circumstances.

(P.T.O)

5. Digital Water meters and measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the Water Resources and Revenue Department authorities at all times for inspection.
6. The firm should pay security deposit fixed by the Department for which permission is granted.
7. A detailed plan showing the location of intake arrangements, pump house, alignment of pipe line and conveyance system should be furnished to the department, for approval.
8. The industry should make its own arrangements for sufficient storage of water during non supply period.
9. The Water Resources Department is no way responsible for non supply of water due to any reasons.
10. The entire cost of construction of pump house, pipe line etc., should be borne by the industry only.
11. This Department is not responsible for any dispute that arises with neighbouring industries and public and any legal matters.
12. The firm should not create any objection for improvement /Modernisation works to the said Reservoir in future and they have to relocate the pumps if necessary, with their own cost.
13. The industry should abide by any other conditions laid by the Department at later date.
14. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
15. The annual requirement of water can be spared from Reservoir. No more drawl shall be permitted, Priority shall be given to Drinking water & Irrigation, when reservoir receives lean flows.
16. The storage tank should be constructed sufficient to store the requirements for non Supply period for water drawl from Reservoir.
17. The point of drawl should be as fixed by the Department.
18. The company holds no right over the water permitted to draw. Priority will be given to drinking & irrigation needs.
19. The licensee shall pay the water charge at rate of Rs. 5.50(Rupees Five and paise fifty only) per 1000 gallons payable every month against the bills raised by the department. The rates are liable to be revised and amended from time to time by the State Government. The licensee shall pay the rates against the demand raised by the Department as per revised rates fixed by Government from time to time.
20. The concerned Executive Engineer will be responsible for enforcing the conditions.
21. The Water Resources Department reserves the right to alter the permission now accorded at any time without assigning any reasons and any deviation to the above terms and conditions shall be deemed to have been considered that the permission is automatically cancelled.

(P.T.O)

22. Any other conditions stipulated by the Water Resources Department afterwards if found necessary, the same will be binding on the firm.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, and the Chief Engineer (Projects) & District Water Resources Officer, Water Resources Dept., Kadapa and the Collector & District Magistrate of Kadapa district shall take necessary action accordingly.
